We extend to you a cordial invitation to visit the nursery and welcome any inquiries you may have concerning your camellia problems. We are open every day of the week except Thursday.

Our stock is all first class, lath house container grown and is in fine, healthy growing condition. Plants may be bought and shipped at any time of the year. With every purchase of a plant we include a copy of our booklet on the history, culture and care of camellias which deals with the practical knowledge of growing camellias under garden conditions. This booklet sells for twenty-five cents a copy when purchased alone or through the mail, (please do not send stamps) but is free with purchase of a plant. We have a fine selection of all good standard varieties, also many new and rare varieties.
